

## Class Changes Effective January 1, 2020

### Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

**A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.**

**When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out.**

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone or need help, please call 800. 656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

## IMPORTANT ENTRY INFORMATION

\*\*\*\*\* PLEASE READ !!!

### NOTICE TO EXHIBITORS

---

- ♦ Trial will be held indoors in a climate-controlled facility. Ring size is 97' x 85'; running surface is 3/4" synthetic turf.
- ♦ No grooming is permitted inside the building.
- ♦ The handler will be solely responsible for having the dog at ringside when scheduled. If a conflict is anticipated, handler must notify the judge/gate steward prior to the start of judging for that class and/or jump height. The judge is not required to wait for any dog holding up a class. Please have consideration for your fellow competitors.
- ♦ If, because of riots, civil disturbances, or other acts beyond the control of HDTC, it is impossible to open or to complete the trial, no refund of entry will be made. HDTC will not be responsible for loss or damage to property while on show site.
- ♦ Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. Ohio law requires proof of current rabies vaccination.
- ♦ **The trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds.**
- ♦ ALL DOGS MUST BE ON LEASH, CRATED, SECURELY PENNED, OR OTHERWISE UNDER RELIABLE PHYSICAL CONTROL AT ALL TIMES WHEN NOT COMPETING OR WARMING UP.
- ♦ **Crating in designated areas only. Plastic covering must be placed under all crates in crating area.**
- ♦ NO crate set up will be available for exhibitors on Thursday night.
- ♦ Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

- ♦ Please **print legibly** on entry forms, taking special care to note that your email address will be clear to someone who doesn't already know what it is. **Use a valid email account only!**
- ♦ IN CASE ENTRY CAN ONLY BE PARTIALLY FULFILLED, Trial Secretary will honor requests to return entries if one of the requested classes is unavailable. Such requests MUST be indicated on the back of the entry form.
- ♦ Except as noted above, no entry will be accepted which carries any conditions regarding its acceptance.
- ♦ Entries received without fees will not be accepted. Post-dated checks, unsigned checks, and returned checks do not constitute payment of fees. A \$30 service fee will be assessed for any returned checks.
- ♦ **Entries MUST be submitted on an official AKC entry form including the COMPLETE "Agreement" page. No phone, fax, or scanned entries will be accepted.**
- ♦ **FOR MIXED BREED DOGS: Use breed name All-American; no other breed description may be used to identify a mixed breed entry. Enter the Canine Partner listing number and check the AKC No. box on the form.**
- ♦ Entries for a maximum of ten (10) dogs are allowed in each envelope submitted to the Trial Secretary for random draw. Envelopes containing entries for more than the ten (10) dog maximum shall be treated as an invalid entry and shall be "Returned to Sender".
- ♦ **JUNIOR HANDLERS** must complete the information on the front of the entry form, and read the back of the entry form. Junior Handlers must include junior handler number in the box labeled "Handler". If you do not have a junior number, contact AKC (see back of entry form) or the Trial Secretary for an application for Junior Handler number.
- ♦ **PLEASE CHECK YOUR ENTRY BEFORE SENDING IT !** Most common problems are missing signatures, missing registration numbers, and not including the "Agreement" page. Any or all of these oversights will result in your entry being returned to you. So **PLEASE** check carefully!
- ♦ **Fix and Go On (FNG)** As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners<sup>SM</sup> program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners<sup>SM</sup>** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

**Junior Handlers** should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_
